LOOK BEYOND. LEARN BAMBOO

Bamboo Diaries is a network of Industry professionals and Academicians to experiment and Innovate on Bamboo.

This workshop is for all those believing in a green, harmonious and beautiful tomorrow. Architects, Engineers, Students, Entrepreneurs and all those who love Bamboo will find this workshop as a gateway to new careers / Livelihoods and alternative living methods.

Resource Persons

Musharaff Hebbali: A practicing architect who sees building an alternative world as Life's purpose

Nagaraj M: Principal Engineer at AVANIM Designers who is a pragmatist with a Heart.

Poornima M: An architect who loves Bamboo deeply.

Balachandran C: An Environmentalist seeking local solutions for global problems.

Venue

A 10 acre organic farm atop a hill known as Kurumbalakotta, known for its out-of-the-world Sunrise experience. It's 138 km from Mysuru and can be reached in 3 hrs.

Come and fall in love with Bamboo
